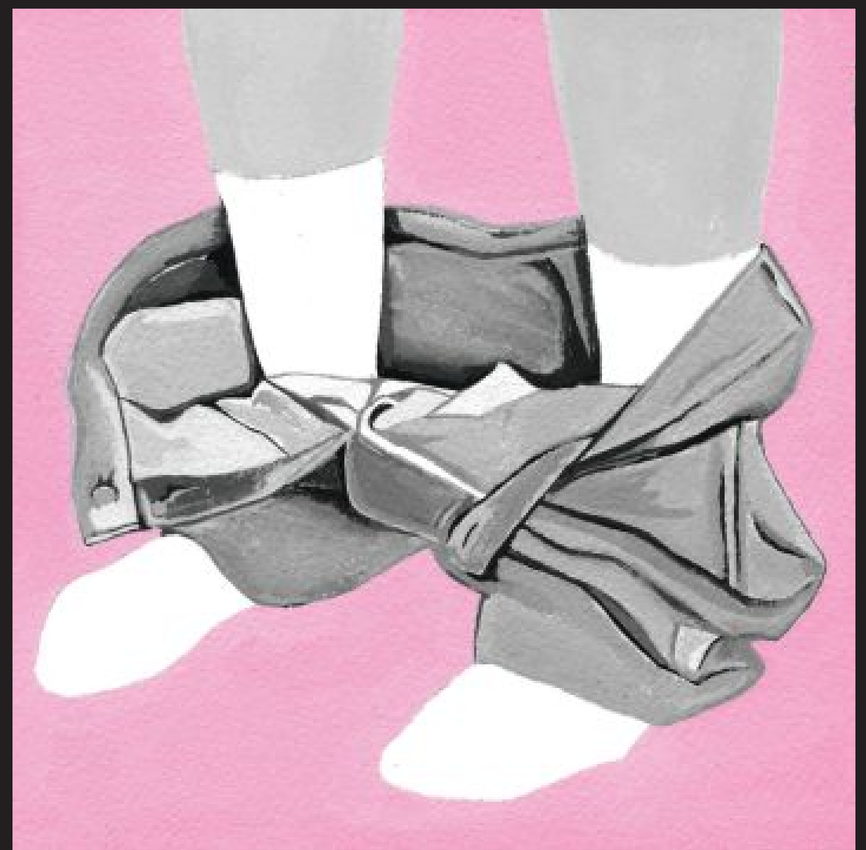
BLEAK

TWO

AN ENDLESS DESIRE FOR



CATHARSIS

You know I'll always
Come for you

Bleak is a collection of loosely-related poetic ideas,
scribbles, visions, and prophecies.
This is Issue Two, it's called "Saints & Sinners".

Bleak is indie and self-published.
We're in love with the idea of radical publishing
and we want to keep it alive forever.
Bleak is open-ended and un-precious.
Don't let these pages collect dust, rip them apart
and collage them on your bedroom wall
like we used to do with teen magazines.
